14 STATEMENT

15
16 This bill establishes the “County Tourism Incentive Grant Fund”
17 and provides for the appropriation and distribution of excess State
18 hotel and motel occupancy fee revenues for deposit to the fund to
19 provide funding for grants to counties to support tourism advertising
20 and promotion.

21 Under the bill, the “County Tourism Incentive Grant Fund” is
22 established as a special, non-lapsing fund within the Department of the
23 Treasury. The bill requires the fund to be administered by the State
24 Treasurer, and provides for the fund to be used as a repository for all
25 excess State hotel and motel occupancy fee revenues that are
26 appropriated and distributed to the Department of the Treasury for
27 deposit to the fund.

28 The bill requires the State Treasurer to use the excess revenues
29 deposited to the fund to issue annually, commencing with State fiscal
30 year 2022, tourism incentive grants to counties for purposes of
31 providing financial assistance to counties to support tourism
32 advertising and promotion. To effectuate that purpose, the bill
33 authorizes the State Treasurer to approve, on or before January 1,
34 2023, and on or before January 1 of each year thereafter, the issuance
35 of an incentive grant to each county that has, on or before October 1,
36 2022, and on or before October 1 of each year thereafter:

37 (1) made and filed an application with the State Treasurer;

38 (2) submitted a statement to the State Treasurer detailing how
39 financial assistance from the fund will be used to support tourism
40 advertising and promotion; and

41 (3) entered into an agreement with the State Treasurer requiring
42 the county to use financial assistance from the fund to support tourism
43 advertising and promotion, to not use financial assistance from the
44 fund to reduce or eliminate the total amount of other funds currently
45 used by the county to support tourism advertising and promotion, and
46 to repay, with interest, the total amount of financial assistance issued
47 to the county if the assistance is not used to support tourism
48 advertising and promotion or the assistance is used to reduce or

1 eliminate the total amount of other funds currently used by the county
2 to support tourism advertising and promotion.

3 The bill provides that the amount of each incentive grant issued to
4 a county will equal the county's share of the excess State hotel and
5 motel occupancy fee revenues deposited to the fund. The bill specifies
6 that the county's share of the excess revenues will be determined by
7 the State Treasurer by dividing the revenues derived from hotel and
8 motel occupancies occurring within the county by the sum of the
9 revenues derived from hotel and motel occupancies occurring within
10 the several counties that have been approved for the issuance of a grant
11 and multiplying that amount by the excess State hotel and motel
12 occupancy fee revenues deposited to the fund during the State fiscal
13 year in which the tourism incentive grant is issued.

14 The bill provides for tourism incentive grants to be funded from
15 excess State hotel and motel occupancy fee revenues. The bill requires
16 that, commencing with State fiscal year 2022, 100 percent of the
17 revenues collected in excess of the amounts anticipated to be collected
18 for the prior fiscal year from the State hotel and motel occupancy fee
19 will be appropriated and distributed through the annual appropriations
20 act to the Department of the Treasury for deposit to the "County
21 Tourism Incentive Grant Fund."

22 The bill authorizes the State Treasurer, in consultation with the
23 New Jersey Division of Travel and Tourism in the Department of
24 State, to adopt rules and regulations necessary to effectuate the
25 purposes of the bill, and permits the immediate filing of those rules
26 and regulations with the Office of Administrative Law, effective for a
27 period not to exceed 360 days following the bill's effective date.

28 The bill takes effect immediately upon enactment.
